# INTRODUCTION

With the commencement of the Occupational Safety and Health (OSH) Amendment Act 2022 on June 1, 2024, Malaysia enters a pivotal phase in its commitment to workplace safety and employee well-being. This Act signifies a renewed commitment to creating safer workplaces for all Malaysians heralding a broader scope of regulatory oversight.

The enforcement of the Occupational Safety and Health Amendment Act 2022 is anticipated to instigate a transformative impact on safety protocols and practices across Malaysia. This timely conference is designed to be a one-stop shop for businesses, safety professionals, and individuals seeking to gain a thorough understanding of the Act's implications and practical strategies for implementation. Whether you are an employer, employee, safety officer, or simply someone invested in fostering a culture of safety in the workplace, this conference will equip you with the knowledge and tools you need to thrive under the new regulations.

## CONFERENCE OBJECTIVES

- The conference aims to thoroughly **EDUCATE** delegates on the OSH Amendment Act 2022. Through presentations and forum session, delegates will learn about the new regulations, their implications, and how to apply them effectively to enhance workplace safety.
- **ENGAGEMENT** is a key focus, promoting interaction among regulatory bodies, industry leaders, safety professionals, and employees. Panel discussions and networking opportunities will facilitate the sharing of ideas and best practices to collaboratively address safety and compliance challenges.
- The conference seeks to **EMPOWER** delegates by providing practical tools, strategies, and resources. Through paper presentations and case studies, delegates will gain hands-on experience in implementing safety measures and compliance frameworks in their organizations.
- **INNOVATION** is emphasized to encourage continuous improvement in workplace safety. The conference will showcase new technologies and methodologies, exploring how digital tools and real-time data can enhance safety practices and compliance.

## KEY FOCUS AREA

Understanding  
the OSH  
Amendment Act  
2022

Enhancing  
Workplace  
Safety

Empowering  
Compliance

Innovating in  
Occupational  
Safety and  
Health

# ABOUT THE ORGANISER

MYSHEQA is a leading organizer of conferences dedicated to promoting safety, health, and environmental standards. Their conferences bring together professionals from various industries to learn, collaborate, and drive positive change in workplace safety and environmental responsibility. With expert-led sessions and forum discussions, these events focus on empowering attendees with knowledge and strategies to enhance safety practices and compliance with regulations. MYSHEQA's conferences serve as vital platforms for sharing best practices, networking, and advancing safety and environmental stewardship in Malaysia.

This session explores how Malaysia's OSH Amendment Act 2022 promotes a proactive approach to workplace safety. It examines how the Act encourages the adoption of OSH Management Systems for self-regulation, empowering employers to prevent accidents and create safer workplaces.

**Speaker: MNC/Organization that utilizes OSHMS in their day-to-day**

13.00 - 14.00 Break

14.00 - 15.20 Paper 8: Navigating the New Landscape: A Guide for SMEs in Complying with the OSH Amendment Act 2022

This paper will explore Malaysia's OSH Amendment Act 2022 implications for SMEs. Provide clarity on SME obligations, offer practical guidance and resources for compliance, and suggest strategies for implementation within resource constraints.

**Speaker: Registered Occupational Safety and Health Coordinator**

15.20 - 15.35 Quiz Session

15.35 - 15.50 Break

15.50 - 17.20 Forum: The Future of OSH in Malaysia: Challenges and Opportunities in the Wake of the OSH Amendment Act

Discussion Points:

Challenges for Implementation:

- What are the biggest practical challenges in complying with the Act's provisions? (e.g., resource constraints, technical expertise, integrating OSHMS)
- How can these challenges be addressed through collaboration or government support?

Opportunities for Improvement:

- What aspects of the Act have the most potential to improve workplace safety in Malaysia? (e.g., focus on prevention, employee participation)
- How can safety and health practitioners leverage the Act's provisions to create a culture of safety within their organizations?

Technological Advancements:

- How can new technologies be utilized to enhance workplace safety and compliance with the Act? (e.g., wearable safety devices, data analytics for accident prevention)
- What are the potential challenges and opportunities associated with integrating technology into OSH practices?

Sustainability of Safety Efforts:

- How to ensure long-term commitment to safety beyond initial compliance with the Act at the workplace?
- How can they measure the success of their safety programs and identify areas for continuous improvement?

Moderator
